JUVE Handbook recognizes Hunton & Williams' Brussels Office as a Rising Firm in Town

The German publication JUVE has recognized Hunton & Williams LLP as a leading firm in Brussels. In its annual Handbook, JUVE lists the top practices and lawyers, providing independent rankings and editorial commentary for Germany and Brussels. For the second year in a row, and only two and a half years after the first German partner joined, the Brussels office has risen in this important ranking and is now in a tier together with established practices of well-known international firms.

Hunton & Williams' Brussels office was recognized specifically for its efforts in building the competition practice and successfully gaining market share in a highly competitive environment. JUVE Handbook also recognized Dr. Michael Rosenthal, Brussels office Managing Partner, as an "often recommended practitioner" in the field of competition. The ranking and the editorial commentary are available [here](#).
