Hunton & Williams LLP Launches Insurance Recovery & Reinsurance Blog

Hunton & Williams announced today the launch of the Hunton Insurance Recovery & Reinsurance blog, www.huntoninsurancerecoveryblog.com. The blog, authored by members of the firm's nationally recognized Insurance Coverage Counseling & Litigation practice, focuses on updates, analysis and breaking news for commercial policyholders.

"The Insurance Recovery & Reinsurance blog will provide valuable information regarding recovery litigation and arbitration, as well as updates on changes in the law and industry, addressing all aspects of insurance coverage," said Walter Andrews, head of the firm's insurance litigation and recovery practice.

The group's lawyers serve in leadership positions at leading insurance-related publications and associations, and regularly speak before legal and industry associations on emerging insurance issues and their impact and significance to policyholders. Hunton & Williams has been named as a leader by 2013-2014 publications such as *Chambers USA*, *Legal 500*, *Legal Leaders* and the *Journal of Law & Politics*, and we were recently named as a leading insurance practice by the 2014 BTI Consulting Client Relationship Scorecard.
